🔗 VINAYLAKAMANAHALLI

I'm a Full-Stack Developer skilled in the MERN Stack I'm confident working with Git and GitHub for version control. I've completed a six-month internship building real world applications. I enjoy creating scalable, user-friendly web solutions. I'm always eager to learn and grow in the tech field

## Professional Experience

### WEB DEVELOPER

Completed a 6-month internship as a MERN Stack Developer at Sathvik Softech. Worked on full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Developed and maintained responsive user interfaces and RESTful APIs. Collaborated with senior developers in agile team environments. Gained experience deployment processes. Improved problem-solving and debugging skills through real world project challenges

## Technical skills

**Frontend,** Html, TailwindCss, Javascript, React

**Backend,** node.js, Express.js

**Database-,** MongoDB

**Tools & Platfroms,** Git, GitHub, Postman

## Projects

### KookKart(e-commerce website) 🌐

Developed a full-stack MERN e-commerce website for home appliances with a smooth, responsive UI/UX. Built an integrated admin panel for managing products, orders, and users with real-time updates. Implemented complete frontend and backend functionality, including authentication and secure APIs.

### Service request protocol

Developed a MERN-based Service Request Portal featuring secure authentication, priority-based request handling (High, Medium, Low), and user/admin dashboards for efficient service management and smooth user experience

## Certificates

**FULL-STACK DEVELOPER:** MERN stack, covering frontend, backend, and database integration with a React, Node.js, Express, and MongoDB.

**INTERNSHIP CERTIFICATE:** Successfully completed a 6-month internship as a MERN Stack Developer at Sathvik Softech, working on real-time projects.

**HACKATHON:** Participated in a national-level hackathon, developing a full-stack web solution under tight deadlines. Demonstrated strong problem-solving, teamwork, and rapid development skills using the MERN stack.

## Education

Bachelor of Computer Applications (BCA) IBMR College, Hubli | 2022 – 2025 | CGPA: 7.8  
12th Grade Jss Hukerikar College, Dharwad | 2021 – 2022 | 59%  
10th Grade Vidyanidhi High School | 2019 – 2020 | 78%
